Sir,

Subject— Elementary-Education - Education cess - Enhancement - Sanction - Requested.

C 41/C1/51 dated 9-11-1951.

Reference— G.O. Ms. No. 1666/Edn. dated 14-6-51.

The Elementary Education Fund is facing a serious crisis. The Budget for 1951-52 closed with a deficit of Rs. 1,16,657/- As a result of this deploring condition, the Board was unable to pay the salary of Elementary School teachers for three months from June '51. The District Board General Fund is just self-supporting. No relief could be got from it. This necessitated the Board to obtain an advance of Rs. 1,00,000/- from Government for the payment of the teachers' salaries.

The Board therefore took up the question of devising ways and means to solve the situation and resolved to raise the Education cess to 36 pies from 20 pies, in its Resolution No. 53 dated 17-10-51 (copy enclosed).

I, therefore request Government that orders may kindly be issued raising the Education cess to 36 pies from 20 pies with effect from current fasli so as to enable the Board to wipe off the deficit and to solve the new problems such as converting Lower Elementary schools into Higher Elementary Schools, providing additional posts, minimising school less centres providing suitable buildings and equipment.

For President. 10.11.5

Note:- The B.E. of the E.E.Fund for 1951-52 is anticipated to close with a deficit of Rs.3,10,535. When the B.E. was examined it was decided that the question of increasing the rate of education tax might be considered in connection with the R.E. for 1951-52. The L.A. dept. have already noted that no additional contribution from the general account to the E.E. fund account in 1951-52 is possible and that the Board will have to increase the rate of education tax.

The P.D.B., Bellary now states that the E.E. Fund is facing a serious crisis as a result of which the Board was not able to pay the salary of of elementary school teachers for three months from June '51. He therefore requests that the Board may be permitted to raise the rate of education tax

from 20 pies to 36 pies in the rupee of land revenue with effect from the current fasli so as to enable it to wipe-off the deficit and to solve the new problems such as converting lower ele. schools into higher ele. schools, etc. The resolution of the District Board to this effect is on page 3 c.f.

The proposal of the Dt. Board. Bellary to raise the rate of education tax to 36 pies may be accepted. Draft Order on page 1 ante is for approval.

L.A. and Finance may see for acceptance.
